### Original Parts List

This list is may contain older part numbers that may be used to cross reference with new part numbers.

| Part                                | Part Number                       | Full Description                       | Notes                                                                                                   |
|-------------------------------------|-----------------------------------|----------------------------------------|---------------------------------------------------------------------------------------------------------|
| CAP TUBE                            | <a href="#">000-D03-0033-S</a>    | Capillary tube .049 X 216"             | Before 6/29/21                                                                                          |
| CAP TUBE                            | <a href="#">373-CTP-005X-KT-S</a> | Kit,GUC Heat Exchange/Cap Tube         | After 6/29/21                                                                                           |
| CASTER 5" W/OUT BRAKE               | <a href="#">3234198</a>           | Caster, 5, Plate, Swivel               |                                                                                                         |
| CASTER 5" WITH BRAKE                | <a href="#">3234199</a>           | Caster, 5, Plate, Swivel, Brake        |                                                                                                         |
| CASTER KIT 2" RIDE HEIGHT           | <a href="#">000-CYT-0052-S</a>    | Caster, 2" Ride Height                 |                                                                                                         |
| CHANNEL GASKET - HORIZONTAL         | <a href="#">3235124</a>           | Channel, Gasket, Horizontal, 24, UC    | Before 10/22/21                                                                                         |
| CHANNEL GASKET - HORIZONTAL         | <a href="#">3235235</a>           | Channel,Gsk,Horz,24,GUC                | After 10/22/21                                                                                          |
| CHANNEL GASKET - MULLION HORIZONTAL | <a href="#">3235135</a>           | Drawer Gasket Channel, Mullion, 24     | Before 10/22/21                                                                                         |
| CHANNEL GASKET - MULLION HORIZONTAL | <a href="#">3235242</a>           | Channel,Gskt,Mul,Horz,24               | After 10/22/21                                                                                          |
| CHANNEL GASKET - VERTICAL           | <a href="#">3235123</a>           | Channel, Gasket, Vertical, UC          | Before 10/22/21                                                                                         |
| CHANNEL GASKET - VERTICAL           | <a href="#">3235234</a>           | Channel, Gskt, Vert, 27 GUC            | After 10/22/21                                                                                          |
| COMPRESSOR                          | <a href="#">3527140</a>           | Compressor, 115V, Embraco              | Before 6/29/21 - Comes with Start Components                                                            |
| COMPRESSOR                          | <a href="#">3527194</a>           | Compressor,115V,Tecumseh               | After 6/29/21 - Comes with Start components                                                             |
| COMPRESSOR OVERLOAD                 | <a href="#">3527205</a>           | Overload,Comp                          | For Tecumseh compressor <a href="#">#3527194</a>                                                        |
| COMPRESSOR OVERLOAD                 | <a href="#">3527160</a>           | Compressor Overload                    | For Embraco compressor <a href="#">#3527140</a>                                                         |
| COMPRESSOR RELAY                    | <a href="#">3527208</a>           | Relay,Comp                             | For Tecumseh compressor <a href="#">#3527194</a>                                                        |
| COMPRESSOR RELAY                    | <a href="#">3527159</a>           | Compressor Relay                       | For Embraco compressor <a href="#">#3527140</a>                                                         |
| COMPRESSOR START CAP                | <a href="#">3527206</a>           | Start Cap, Comp                        | For Tecumseh compressor <a href="#">#3527194</a>                                                        |
| COMPRESSOR START CAP                | <a href="#">3527161</a>           | Compressor Start Capacitor             | For Embraco compressor <a href="#">#3527140</a>                                                         |
| CONDENSATE LOOP                     | <a href="#">033-CTP-004J-S</a>    | Tube, Condensing, Refrigerant Hot Gas  | Before 6/29/21                                                                                          |
| CONDENSATE PAN                      | <a href="#">1708936</a>           | Pan, Condensate, Small                 |                                                                                                         |
| CONDENSER COIL                      | <a href="#">3516660</a>           | Coil, Condensing, UC, R290             |                                                                                                         |
| CONDENSER FAN BLADE                 | <a href="#">3516457</a>           | Blade, Condenser, Fan, 7.25 Dia, 30Deg | Before 6/29/21                                                                                          |
| CONDENSER FAN GUARD                 | <a href="#">2160020</a>           | Guard, Condenser, Fan, 7.25            | Before 6/29/21                                                                                          |
| CONDENSER FAN GUARD                 | <a href="#">2160024</a>           | Guard,Fan,4.7                          | After 6/29/21                                                                                           |
| CONDENSER FAN MOTOR                 | <a href="#">2162666</a>           | Motor, Condenser, Fan, 6Watt           | Before 6/29/21                                                                                          |
| CONDENSER FAN MOTOR                 | <a href="#">2160023</a>           | Fan,Axial,Mechatronics 120v            | After 6/29/21                                                                                           |
| CONDENSER FILTER                    | <a href="#">3239693</a>           | Filter, Condenser                      | Optional                                                                                                |
| CORD/PLUG ASSY                      | <a href="#">2187082</a>           | Cord/Plug, 5-15P, C13, 8Ft             | Before 8/20/21                                                                                          |
| CORD/PLUG ASSY                      | <a href="#">2197079</a>           | Cord/Plug, 16/3, 5-15P                 | After 8/20/21                                                                                           |
| CORD/PLUG INLET                     | <a href="#">2195664</a>           | Inlet, Power, 15A                      | Before 8/20/21 - Used w/ cord/plug <a href="#">#2187082</a>                                             |
| DOOR - GLASS                        | <a href="#">3455696</a>           | Glass Door 24UC                        | "Optional - Same for LH or RH<br>Does NOT come with hinge brackets. Comes with spring cartridge only. " |
| DOOR - S/S                          | <a href="#">000-CTA-0034-S</a>    | Door Assembly, 24, UC                  | "Standard - Same for LH or RH<br>Does NOT come with hinge brackets. Comes with spring cartridge only. " |
| DOOR - S/S W/ LOCK                  | <a href="#">000-CTA-0035-S</a>    | Assy,Dr,24, UC with Lock               | "Optional - Same for LH or RH<br>Does NOT come with hinge brackets. Comes with spring cartridge only. " |
| DOOR GASKET - GLASS                 | <a href="#">1701514B</a>          | Glass Door Gasket                      |                                                                                                         |
| DOOR GASKET - S/S                   | <a href="#">1701514</a>           | Gasket, Door, 24, UC                   |                                                                                                         |
| DOOR HINGE KIT                      | <a href="#">000-CTL-0053-S</a>    | Hinge Assy, LH or RH                   | Same for LH or RH - Does NOT include spring cartridge.                                                  |
| DOOR HINGE SPRING CARTRIDGE         | <a href="#">3230010</a>           | Hinge, Cartridge, 25Inlbs              |                                                                                                         |
| DOOR LOCK                           | <a href="#">3234734</a>           | Lock, Door, 5/8                        | Optional                                                                                                |
| DOOR LOCK KEY                       | N/A                               | Key                                    | Not available - need to purchase lock with keys                                                         |
| DRAWER - COMPLETE ASSY              | <a href="#">000-CZ9-0030KT-S</a>  | Drawer Assembly 24 UC                  |                                                                                                         |
| DRAWER ADAPTOR BAR                  | <a href="#">628-D05-0030-S</a>    | Drawer Divider Bar                     |                                                                                                         |
